Ranking lords

The Approach

How did you select Ranking lords?

Researched a bunch of agencies and eventually Ranking lords Made to the shortlisted ones. During proposal discussions, we felt Ranking lords offered us the capability needed and would be great partner.

Describe the scope of their work in detail.

We kick started with discovery phase and site audit. The team took initiative to understand our services in detail and our key drivers- creating awareness (of minimally-invasive techniques), patient focus. We planned SEO strategy to help improve our reach.

What was the team composition?

I work with Digital Strategist, Digital lead, and analytics team. Have also worked with senior team to set certain processes.

The Outcome

Can you share any outcomes from the project that demonstrate progress or success?

We have seen improvements in all aspects of project.

Ranking lords

What did you find most impressive about this company?

They are very organized, collaborative and results focused. They are truly an extension of our marketing team and have been excellent partners for us.

Are there any areas for improvement?

Long term projects tend to get complacent but we have been having great Partnership till now. I am confident that we will continue to innovate.
